SNOW WORLD®
KAR DÜNYASI

SNOW WORLD concept was inspired by a dream of a little girl who first met the magical world of the soft snow in the mountains where she went in a cold winter day.

The dream came true. The city of Antalya - Turkey where the weather is hot during 4 seasons, met with the snow fun for 365 days.

- ❖ The museum of ice sculptures offers a visual show...
- ❖ Living the special days (birthdays, marriage proposals, corporate activities etc...) with the snow is amazing.
- ❖ Having a hot coffee under the snow is awesome. Dining next to a fireplace in a restaurant overlooking the snow offers a unique experience.
- ❖ White photos under the snow makes people very popular in social media...

"The first snow is like the first love.
Do you remember your first snow?"

Lara Biyuts

- ❖ In the SNOW WORLD, we live the snow fun at -5 degrees, even if outside temperature is 50 degrees...

- ❖ Under the flaky snow, everyone is cheering up, rolling in the snow, skiing with slades, fighting with snowballs, looking for adventure in igloos...

CANTEK, the specialist of the refrigeration and entertainment sectors, offers you a wonderful snow concept investment...
